

Medical Narration Rate Guide

(NOTE: This guide reflects my standard Medical narration rates. I am willing to adjust them occasionally if you need me to, to accommodate your budget)

Medical Narration	Standard Rates	Notes
1-2 min	\$400	
3-5 min	\$525	
5-10 min	\$550	Rates include editing, file naming/splits, delivery, etc. Free re-records up to 10% of total word count. Re-records due to errors are provided free of charge. My studio & production charges are included in my rates. Music, sound effects, etc are extra.
10-15 min	\$600	
15-20 min	\$800	
20-30 min	\$1,000	
30-40 min	\$1,300	
40-60 min	\$1,700	
Per Word Rate	\$.25/word	

General Notes:

~ Rates include editing, file splits, naming, delivery, pick ups, etc. Mistakes = Free. Studio & Production charges are included in all rates. Music, sound effects, etc. are extra

~ Session minimum of 1-2 minutes finished audio (or 0-750 words) at \$400. This accommodates for session set up, script and performance preparation, file export, and clean up and delivery (which is the same regardless of session length). After the minimum has been met, a rate of \$.25 per word will apply.
